

THE COUNTRY SCHOOL FARM
Application for summer 2018

To reserve a space, email us (barkers@tcsfarm.com). Let us know the session your child would like to attend. We will respond, confirming a space is available and hold the spot for ten days while you mail this application. Use a separate form for each child. (Note: Your child's birthday should not fall during or on the weekend following his/her farm experience. If you are enrolling a six year old we recommend you also enroll an older sibling in the same session.)

Once we receive your application and payment, we will email you a confirmation and enrollment kit (pdf). This kit includes a packing list, policies, medical form and other pertinent information. Please read in its entirety upon receipt. If you have not received this kit within 10 days of mailing application, please email us. (Add barkers@tcsfarm.com to your list of approved senders or the enrollment kit may end up in your spam folder)

Open House, May 6, 2018: Attendance, while optional, reassures new children and contributes to the quality of the experience. Because of the demands of farm life and the numbers involved, we regret that family tours are not possible at other times.
